"STEEKEE."
I uster to take some comfort in
My happy home in days gone by,
But now it seems it don't begin
Ter be the place it was sence I
Hev gathered up 'er little pile;
It's worry, fuss an' 'fume an' fret,
I hardly dast ter crack a smile
Per fear o' Mandy's eterket.

She's got a triflin' little book
That posts her up on how ter eat,
An' how ter drink an' how ter look,
An' how ter hold her hands an' feet,
I've got ter gape an' stretch an' sneeze,
An' snore, an' walk, an' stand, an' set,
Not jest educkly as I please,
But 'ordin' to that eterket.

At dinner I keep on my coat,
No matter if the room is hot,
A standin' collar round my throat,
An' lots o' things—I dunno what,
I wish that we was poor onest more,
It's sorter crampin' now, you let—
An' I was quite content afore
We heard of this dern eterket.

JOHN B. CHENAULT.

Making a Vigorous Fight For Auditor Against Democratic Slate.

Among the anti-slate candidates before the Democratic primary on Saturday is Mr. John B. Chenault, who aspires to the Nomination for Auditor of the State.

Mr. Chenault is a member of the famous family of that name of Madison county, and for the past three years has been Insurance Commissioner of Kentucky, a position which he fills with signal ability.

He now desires to serve the people as Auditor of Kentucky and is making the race in spite of the "slate," which seems to have been arranged against some of the most deserving gentlemen of the state.

Mr. Chenault has peculiar claims upon Mason county, as he married a daughter of the late "Squire J. B. Burgess of this city, and thus has quite a wide relationship and acquaintanceship in this county.

Judging from the personnel of those from this section who are opposing the Frankfort "combination," the "outs" are superior to the "ins," for on the list we find the names of not only Mr. Chenault but that of Dr. J. M. Frazer of this city, who is a candidate for Commissioner of Agriculture, and Captain Bob Green of Bracken county, who is a candidate for Clerk of the Court of Appeals.

If the Mason county Democrats are in earnest in their desires to rid themselves, the party and the state of "ring rule," they will support Mr. Chenault and the other gentlemen at Saturday's primary.

THE IDEAL JURYMAN!

Was Discovered at Frankfort During the Jim Howard Trial.

The Cleveland Plain Dealer declares that they have found the ideal juryman in Frankfort, and, as was to be expected, the lawyers on both sides promptly accepted him. The exact means taken to discover his unusual fitness are not stated, but it is believed they took some such form as this:

The Prosecuting Attorney—"You know why you have been summoned here?"

The candidate for the jury box—"N-no, sir."

"You have been summoned to serve on the jury which is to try a citizen of this state for alleged complicity in the killing of Governor Goebel."

"Somebody been killed?"

"Yes, Governor Goebel."

"Certainly he's dead."

"Killed, eh?"

"Yes, killed by parties unknown."

"Who'd you say?"

"Parties unknown."

"D-don't know him. Who'd you say was killed?"

"Governor Goebel."

"I want to know. Darned if it don't seem funny. My wife knows 'bout all the funerals in the neighborhood. She didn't say nuthin' to me 'bout any such feller. Mebbe he didn't live hereabouts?"

"He was the Governor of the state."

"I want to know. G-guess I'll hev to hurry home an' tell my wife 'bout this. S-she'll want to t-tell th' neighbors."

"You sit still. You'll have to stay right here until this case reaches the jury."

"I want to know."

PAINE'S CELERY COMPOUND.

Best Authorities in Medicine Declare it the Only True Spring Remedy.

The sleeplessness, nervous prostration, weakness, general debility, functional irregularities and despondency from which thousands of women, young and old, suffer, can be quickly removed by properly feeding the nerves and replacing the unhealthy blood by a fresher and more highly vitalized fluid. The happy change from ill-health and misery to true womanhood and happiness, can only be effected by the use of Paine's Celery Compound.

The present spring demand for Paine's Celery Compound, woman's friend and life giver, is enormous in every state of the Union. This fact alone, amply proves that the great Compound possesses virtues and powers unknown to other remedies. Dear wife and mother, do not

procrastinate; listen today to the voice of reason, and the pleadings and testimony of the thousands of your sex who have been made well and strong. Mrs. Jennie Harris, Marlow, Indian Ter., joyfully writes about the medicine that makes women well; she says:—

"I have used one bottle of Paine's Celery Compound, and am satisfied that one bottle of this medicine has done me more real good than any other medicine that I have ever taken. I had rheumatism of long standing, kidney disease and female troubles, but since taking Paine's Celery Compound I feel altogether a different person. I have used lots of other medicines, but never received any benefit until I used Paine's Celery Compound."

A meeting, which resulted in fifty additions, has just closed at the Cynthia Christian Church.

GO RIGHT AT IT.

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it. But it won't cure it. You must reach the root of it—the kidneys.

Doan's Kidney Pills got right at it. Reach the cause; relieve the pain. They cure too so Maysville people say. Mr. W. L. Nicholson of 14 Court street employed by M. C. Russell & Sons, Grocers, says:

"The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective riddance of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore corner of West Second and Market streets on the advice of a friend and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."

We look after the cleanliness as carefully as though we had to do all the drinking ourselves.

To drink our soda is to go out glad.

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

The above illustration shows the famous JUMBO BUGGY, built by the Anchor Buggy Co. of Cincinnati and on exhibition at Klipp & Brown's. This immense buggy is the largest ever manufactured, and is built on a plan of four times the regular specifications of the ordinary vehicle. The height is again as great as the ordinary shop buggy with 42-46-inch wheels. If you were to take eight buggies and pile them two high, two wide and two deep it would give you the exact width, height and length of the Jumbo. The wheels of this buggy are 7 feet 4 inches in front, 8 feet 2 inches at the rear. The bed is 112 inches long, 44 inches wide, and the total height from the ground to the top is 18 feet, and the vehicle will carry easily and comfortably twelve people. The manufacturers, Anchor Buggy Co., have the distinction not only of building the largest buggy in the world, but also of building the best buggies in the world, and their immense trade is the result of furnishing good goods at fair prices.

The late fall and winter months offer the best opportunity for fighting the tent caterpillar. The eggs then form masses on the twigs, which can be easily detected and scraped off. Every nest destroyed means about 200 less caterpillars to prey upon the trees next summer.

IMPROVED ORDER REDMEN

State Meeting to Be Held in Maysville This Month.

Visitors Will Be Royally Entertained By the Local Indians.

The Great Council of Kentucky, Improved Order of Redmen, is to meet in Maysville Tuesday and Wednesday, May 12th and 13th.

The meet will bring to this city many prominent Indians and Kentuckians, and the citizenship of Maysville should exert every effort to uphold the city's reputation in the way of true hospitality.

Let the old town for the two days be painted "red," and the many visitors be made to feel they are welcome.

The Committee on Entertainment appointed some time since from Wyandotte Tribe No. 3 has about finished its arrangements, and if its plans are carried out the meet will be a most interesting one.

The sessions of the Great Council will be held in the Hall of DeKalb Lodge, I. O. O. F. On Tuesday, May 12th, at 9 a. m. Great Sachem William C. Pelham will call the meeting to order, and until 10 o'clock a public reception will be held, to which every person, whether an Indian or not, is invited to attend.

During this hour the program will be—
Music—"My Old Kentucky Home"—Redmen's Band.

Address of Welcome—Past Great Sachem John I. Winter.

Music—"Conquering Hero"—Redmen's Band.

Response—Thomas K. Donnelly, Deputy Great Inchoance, Great Council of the United States.

Response—Hon. L. S. Leopold, Great Council of Kentucky.

Music—"Home Sweet Home"—Redmen's Band.

At the completion of this the Great Council of Kentucky will be called to order and the business begun.

On Wednesday afternoon the Great Council will be entertained with a boat ride on the river.

The Island Queen, one of the largest boats on inland waters, has been chartered, and at 3 o'clock she will leave the wharf for a several hours ride.

A bountiful lunch will be served on board, and the Redmen's Band will furnish music for those who care for dancing.

In all, Wyandotte Tribe will spare no efforts to make this state meeting of the Redmen one of the most successful and pleasant in the history of the Order.

In a street fight at Opelika, Ala., J. L. Moon Deputy Sheriff, was shot through the arm and John Long, a well-known citizen, was instantly killed. Sheriff Hodge, who fired the shot that killed Long, narrowly escaped death.

The anniversary of the emancipation of 23,000,000 Russian peasants, liberated by Alexander II. in 1861, is to be celebrated hereafter in the orthodox Churches by elaborate thanksgiving services instead of by a single requiem mass.

While about 1,500 Poles were waiting along the tracks at Detroit to get on board a Lake Shore excursion train which was to carry them to their home in Toledo, a fast passenger train on the Grand Trunk Railway ran into the crowd, killing at least seven persons and injuring a number of others. It is claimed the Grand Trunk train gave no warning signal as it approached the crowd.

Dr. Warren Dutcher, son of the Rev. S. D. Dutcher, formerly of Maysville, is practicing dentistry at Oklahoma City, Oklahoma Territory, where his father is also Pastor of the Christian Church.

A full report from the Committee looking after better streets was not given Tuesday evening and a meeting will be held tomorrow evening at 7 o'clock. Brick streets seem to be favored by those who have been examining conditions in other cities.

The X-Ray.

Recent experiments by practical tests and examination with the aid of the X-Ray establish it as a fact that Catarrh of the Stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is curing thousands. It will cure you of indigestion and dyspepsia and prevent or cure Catarrh of the Stomach. Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Son.

At a meeting of the Board of Directors of the Maysville Gas Company March 28th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished.

It was also ordered that after the 1st of April the old rate of the Company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and indiscriminately enforced, regardless of whom it may concern.

(This action was taken, not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month or year, but for the reason that the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with this work of collecting, might, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered, that beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer, to be delivered to said consumer by the Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to 50% discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: The gas range listed in catalogue at \$25; the Gas Company will sell this range to consumer for \$14 cash, or for \$2.50 cash at signing of lease and 40¢ per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and mantels of the Welshbach Company in all of their many attractive varieties.

Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langefels samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langefels or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

Captain J. F. Ellison, Superintendent of the Cincinnati and Pittsburgh Packet Company, has received a consignment of photographs of the boats of his line, which were taken at a hamlet above Parkersburg. They are pronounced the best ever taken along the river, and many of the scenes rival those of the Rhine in Germany.

There is a great demand for the Government Snagboat, Woodruff, in the lower Ohio river at present. The pilots who traverse the river are loud in their complaints. The Snagboat, which, they claim, should be disposing of the sunken coalboats and barges which have gone down in the river during the spring, freshets is lying at Cincinnati, in winter quarters. Repairs are now being made to her, which the rivermen claim should have been made during the winter, so that she could get into commission now when she is really needed.

A short time before the War Captain Vansickle left Louisville with the John Bell for the Upper Mississippi. The late Barney Seales was pilot on her to St. Louis. When the boat arrived there pilots were hard to get, and Captain Vansickle asked Barney to go on up with him. "Don't you know this river?" asked the Captain. "O yes," replied Barney, "I know every rock in it." The boat left with Barney at the wheel. The next night she hit a rock and sank out of sight. "I thought you said you knew every rock in this river," said Captain to Barney, who was leaving the sinking boat. "I do," replied Barney; "that's one of 'em I hit." And he got ashore and came home. Barney never had been up the river above St. Louis.

All female weakness and nervousness and pain comes from a deranged condition that is quickly relieved and permanently cured by the wonderful Zoa Phora. Thousands of prominent women all over the land testify to the marvelous cures made by Zoa Phora, and the druggists of this city, named below, have decided to give to every suffering or ailing woman a free trial bottle of this splendid medicine and with it a valuable doctor-book, called "Dr. Pengelly's Advice to Women."

Every woman who is sick or afflicted owes it to herself, her family or to those who are or may be dependent upon her to get a free trial bottle of the remedy that will make her free. Do not hesitate to call. Zoa Phora goes at once to the seat of the disorder, imparts and maintains a healthy vigor to the weakened and diseased organs, aiding them and strengthening them to perform their natural functions and give tone to the general system. It corrects irregularity and suppression. With the use of Zoa Phora there is no going to bed every month for several days with terrible pain in back and headache. It relieves and cures.

It is one of the most marvelous of modern remedies, serves as a steady hand to guide the frail and sickly girl through the trying period that opens to her the untrodden path of womanhood. It proves through the trying times of pregnancy and childbirth a "woman's friend" in the truest sense of the word, buoying and

strengthening and building up when all physical and all other remedies fail; and as she passes from the period of motherhood to the last period of life, Zoa Phora is still her friend and mainstay—bringing her through the three dangerous change in woman's life, safe and soundly healthy. Women by the thousands testify to the wonderful effect of Zoa Phora on their general health, as well as to its marvelous power in correcting displacements and permanently strengthening when weak.

Mrs. E. A. Clark, 488 Turner Street, Grand Rapids, Mich., writes under date of June 11, 1902: "Zoa Phora is a friend to ladies. My daughter, Inez, has used the medicine for pain incident to a girl's life, and particularly for severe pain in side, with best results. Too much cannot be said in praise of Zoa Phora, and I will gladly recommend it to anyone who may write to me concerning its merits."

Do not fail to call on the days and at any of the drug stores mentioned below for a free trial bottle of the remedy that will cure you and make you a happy woman.

In case you live out of the city or for other reasons cannot possibly call, send your name and address to the Zoa Phora Co., Kalamazoo, Mich., and they will mail you free a trial bottle. Don't neglect this opportunity that may save your life. This remedy is for sale by all druggists.

**CLOTHING

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.
